## Overview of Test Report Document

The test report contains two core sections. The first section is the test result details on the first page of this report. This identifies the product under test, the modules successfully tested along, other test event details and the NVLAP approved signatory signature. The “Certification Status” section of that page is a non-normative section of the test report to provide some background on modules reported by the participating organization to inherit certification or qualify for gap certification pending approval from an ONC-ACB. This section does not imply certification, but it is a reference to note certified modules explicitly not tested.

The second section is a reference to the NVLAP accreditation of the Drummond EHR Testing Lab, a DG disclaimer of testing services and a reference to the testing process described in the Drummond Group EHR Testing Guide on the [www.drummondgroup.com](http://www.drummondgroup.com) website.

## **Accreditation and Disclaimers**

### **NVLAP Statement of Accreditation**

For the scope of accreditation under [NVLAP Lab Code 200979-0](#), the Drummond Group EHR Test Lab fully conducted this test event in accordance to the approved quality procedures and within the scope of its accreditation.

This report must not be used by the customer to claim product certification, approval, or endorsement by ONC, NVLAP, NIST, or any agency of the Federal Government.

NVLAP Lab Code 200979-0
